Data: Not Separately Priced/Unlimited Data Rights* in accordance with (IAW)
Contract Clause CNIN-B-0008

*** CNIN-B-0008 DATA RIGHTS (APR 2012)**

The Government shall have unlimited data rights to all technical data generated in the performance of this contract, whether required to be delivered or not, in accordance with (IAW) DFARS 252.227-7013; and similarly to all computer software and computer software documentation generated in the performance of this contract, whether required to be delivered or not, IAW DFARS 252.227-7014; unless an assertion is provided and accepted by the Government with the offer IAW DFARS 252.227-7017. Upon creation of an assertion table as directed/applicable, the Offeror will identify the specific CLIN and CDRL to which the assertion applies. No assertion table(s) will be accepted in response to a Basic Ordering Agreement (BOA). If the Government determines that acceptance of an assertion(s) is valid, said assertion(s) will be incorporated into each individual order or resultant contract.

Offerors are required to submit technical proposals, delivery and price proposals in accordance with the requirements of the Proposal Evaluation Criteria (Enclosure 3). The offerors submissions will be evaluated IAW the criteria detailed in Enclosure 3.

Technical or contract questions concerning this procurement shall be submitted in writing to arrive at NSWC Crane no later than 2:00 PM EST on the seventh calendar day proceeding the receipt of this RFP.

The offeror's complete proposal package should be received no later than 14:00 PM EST on 12 FEB 2016.

Please address all questions and proposal package to (b)(6) Code 0231 at telephone (b)(6)
(b)(6) or e-mail: (b)(6)

The mailing address is:
